**Directions:**

**Laundry:** 1 capful per load (more for hard water). Add to water then add clothes. Softens naturally, no fabric softener needed!

**Stains:** Wet surface & apply full strength. Message, let sit, rinse, let dry.

**Floors, Walls, Surfaces, Bathrooms:** 1/4 cup into 1 gallon of hot water. Stir, clean surface, and let dry. Or use full strength on wet sponge, rub on countertops, tub, and fixtures. Rinse sponge and wipe again.

**Carpet:** Replaces detergent concentrates. Add to carpet or tile cleaning machines as directed. Add directly on stains, let sit, rinse.

**General:** Stovetop, refrigerator, etc. Scrub with wet sponge saturated in One 'n' Done. Rinse and dry. For ALL water-safe surfaces (do not use on leather).
