16oz
480ml

About
32 Loads

Essanté Organics powerful, plant-based Laundry Liquid:

- Is safe for HE & standard machines.
- Is safe for delicate fabrics & baby clothing.
- Is guaranteed hypoallergenic & safe for sensitive skin.
- Is guaranteed to work better than other laundry products.
- Loosens & magnetizes the toughest stains away.
- Is tough on oil, food, grease, soil, grass & sweat stains.
- Will not weaken or fade fabric.
- Meets all biodegradable codes & is safe for the environment.
- Contains NO phosphates, xeno-estrogens, chlorine, optical brighteners or other harmful chemicals.

Cleans up to 32 loads of laundry! Rest easy knowing your household is sleeping in bedding, wrapping themselves in towels & wearing clothing free from the harmful toxins found in other laundry detergents.

Thank you! As you buy this and all Essanté Organics products, you're doing your part by NOT contributing to the indoor & outdoor environmental pollution of the water & soil shared with all living beings.

Directions: 1-2 capfuls to ¼ cup depending on load size, soil severity & water type. Hard water requires more Laundry Liquid. Pour directly on stains as a pre-spot treatment. Add to water to cleanse furniture fabrics, carpets, pet areas, etc.

Ingredients: Purified Water, Anionic & Nonionic Soy & Coconut Cleansing Agents, Sodium Citrate (Salt) An Anti-redeposition Agent.

All ingredients 100% non-GMO plant/mineral derived.
No Animal Testing.
